

Get started with the App

ArisControl allows you to easily manage your home or small business Wi-Fi network within minutes. Download the app and take control of your Wi-Fi network today!

- 1** Download the app. You can search either the Apple App Store or Google Play Store for: **'ArisControl'**, then install it on your mobile device.

- 2** Select "SIGN UP" towards the bottom of the screen.

- 3** Enter your personal information. The password you enter here will be used to access the app.

- 4** Select "Yes" to continue.

- 5** Tap the QR code that appears within the app. (You will be asked to allow access your camera.) Point your camera at the QR Code found on the side of your router, (example shown below). Select OK.

- 6** Tap the "Click here to skip" text since your Wi-Fi is already working.

Click Submit and you're done!
